About the venue

Eastlake Performing Arts Center located at Eastlake High School
400 228th Ave NE - Sammamish, WA, 98074

The Sammamish Symphony Orchestra performs on the Sammamish Plateau, in downtown Bellevue and various locations in the Seattle area. It is committed to offering quality music at affordable prices for Eastside residents. The Sammamish Symphony Orchestra also performs two Summer Pops concerts free of charge. This volunteer ensemble provides the opportunity for talented, dedicated musicians to perform with a full symphony orchestra. In addition, the Orchestra promotes involvement in the arts for young musicians who are given the chance to participate in classical and pops concerts and sponsors an annual Youth Concerto competition.

Now in its twenty-fourth season, the Sammamish Symphony began as the Providence Point Players, and has grown in size and stature to become an integral part of the Eastside artistic community. What started as a handful of musicians has evolved into a dynamic musical organization. The Sammamish Symphony has performed several times in Seattle's Benaroya Hall, with several northwest choral groups.
