The Sammamish Symphony, directed by Gail Brothers, is a non-profit organization based in Issaquah and incorporated in the summer of 1994. It began as the Providence Point Orchestra but has grown from a handful of players to over 45 regular members, the majority of whom reside in the Issaquah/Redmond area.

With your support, the Symphony will be able to provide an opportunity for professional and non-professional musicians to perform; to bring affordable music to our community; and to provide education to you musicians and our community.

You can help this organization by becoming involved. Volunteer for one of the symphony committees or encourage a musician friend to call for an audition. Your purchase of a season ticket will help pay for music, stands and other essentials. Get even more involved by becoming a sustaining member of the symphony with your annual contribution of:

Benefactor: \$500
Patron: \$250 - \$499
Sponsor: \$100 - \$249
Supporter: \$ 25 - \$ 99
